

KALBFUS

KALLS

January 26, 2013

The Board of Directors of the Kalbfus Rod and Gun Club Inc. welcomes new members Jack Stoops, Bill Mahan, Gary Gage, and Tim Saporito.

2012 was a very busy and productive year for Kalbfus Rod and Gun Club. We've realized significant increases in our revenues and our membership. We've upgraded our shotgun and rifle venues, offered more shooting and social opportunities for our members, and continue to provide ammunition at Club prices for our members. We thank our members, their guests, and visitors to our facilities who have supported our initiatives by participating in our shooting venues, social events, and Club maintenance.

The Board of Directors of Kalbfus Rod and Gun Club conducts on-going discussions and initiatives regarding facility and venue improvements and developing more shooting and/or social events for members. We'll continue to offer shotgun shooting opportunities on our Trap and Skeet fields on Tuesday evenings, Sporting Clays practice rounds on Thursday mornings, league participation for our Trap and Sporting Clays enthusiasts, and social events for our members and their families.

WINTER LEAGUES

Our Trap shooters have had a great start. Kalbfus was in first place at the end of the first half of the Penn-York Winter Trap League and is currently tied for second place and making a run for the championship.

Our Tri-county Winter Sporting Clays League shooters are currently in third place and have made notable individual showings in all of the shoots to date.

Anyone who wants to shoot in either league is welcome. Schedules for both leagues are posted on our website.

JUNIOR PHEASANT HUNTS

Kalbfus Rod and Gun Club sponsored two Junior Pheasant Hunts again this year for young hunters 12 to 16 years old. On October 6, and November 10, our club hosted full rosters of young hunters and provided our guests with plenty of pheasants and Chukars to make for a terrific day of hunting. We are fortunate to have willing volunteers and their dogs to help our young hunters experience the fun of hunting birds with a good dog. We are also very fortunate and grateful to John and Connie Hibner for allowing us to use their property for our hunts.

WARREN COUNTY OUTDOOR, TRAVEL, AND GUN SHOW

Kalbfus Rod and Gun Club enjoyed many visitors and lots of exposure at this year's Warren County Outdoor, Travel, and Gun Show. This year's turnout for the show was everything that was expected and more. There were many vendors and exhibits and lots of good food as well. Many of our members volunteered their time to sit at our table throughout the two days of the show and did a great job of representing Kalbfus at the show.

MEET THE MUSHERS SPAGHETTI DINNER

Kalbfus offered our guests a generous helping of spaghetti and meatballs again this year at our annual Meet the Musers Spaghetti Dinner in conjunction with Warren County's WinterFest activities at Chapman State Park. Our dinner guests had the opportunity to meet the sled dogs and their handlers prior to and during our dinner. Our many guests enjoyed a tasty dinner, delicious deserts and the rustic atmosphere of our beautiful club house.

MEETINGS

We conduct our general membership meetings on the third Thursday of every month and convene at 6:30 p.m. We look forward to seeing our members at our meetings; your input is very important to the well-being of our Club, and we hope you'll find the time to come to our meetings to socialize with our membership and enjoy our after-meeting meals

Please take the time to visit our website at www.kalbfusrodandgun.com. We've had over 5000 visitors to our website in the last year.

POLICING OUR FACILITIES

If you witness abuse or misuse of any of our shooting venues or our facilities, please advise any Board member as soon as possible with as much information about the incident and persons involved that you can gather. We will do what we can to rectify the situation through whatever means may be dictated by the offense.

RANGE SAFETY

Please practice range and firearms safety. Be aware of what's downrange, keep firearms unloaded when you're not on the firing line, and ensure that firearms are broken open or that chambers are open when you are not shooting at a target.
