

  
***KALBFUS*** ***KALLS***

*October 12, 2013*

We are happy to welcome new members Troy Rex, Todd Bowersox, Joel Berdine, Cory Slocum, Dwayne Schmader, John Montour, Craig Atkins, and Rod Lamont to our Club.

**WINTER TRAP AND SPORTING CLAYS LEAGUES**

Kalbfus Rod and Gun Club will be sponsoring Winter Trap and Sporting Clays teams again this year. All of our shooters are encouraged to participate in these leagues. Shooters can learn more about the leagues by contacting Jim Nowacki or Chuck Travis about the Trap league and Jack Bruce about the Sporting Clays league. Schedules for both leagues will be posted on our website calendar.

**TROUT UNLIMITED CONNECTION**

Trout Unlimited will conduct meetings at Kalbfus again this year on the fourth Wednesday of the month starting at 6:00 from September to April. Interested parties are welcome to attend chapter meetings and activities. TU conservation and education initiatives constitute the business portion of meetings, and presentations by guest speakers, fishing videos, “fish” stories, and fly tying fill out the remainder of meetings.

**ANNUAL FAMILY PICNIC**

Kalbfus hosted our Annual Family Picnic on August 18. Our members and their families enjoyed our outstanding shooting venues and a delicious meal. We extend a special Thank You to those volunteers who helped with the planning, preparation, cooking, serving, and clean-up for our picnic.

**AMMUNITION**

We have been encountering difficulty, like everybody else, purchasing shotgun ammunition for our members. Because of the scarcity of ammunition and the difficulty in finding it, we will be selling what we are able to get to Kalbfus members only.

**ELECTIONS**

Our Annual Meeting during which we conduct our elections of Board of Directors is scheduled for December 19. We will be streamlining our procedure this year. In our club house will be a “Nominations Board” for those members who wish to nominate individuals or themselves for a Board position. In lieu of the nominating procedure used in past elections, the board has determined that conducting the nominations in this fashion adheres to the principle of nominations in our By-Laws and eliminates the lengthy process of asking those members who do not want to be considered for elections to identify themselves.

If you would like to be nominated for a seat on our Board of Directors or would like to nominate yourself, please write your name on our “Nominations Board” in our club house. We hope that all of our members will entertain the idea of holding an elected office in our Club. We have many, many capable members that would continue the longstanding traditions of our Club and manage our Club effectively.

**SCHOLASTIC TRAP**

Our Scholastic Trap Warren Blue Team will begin its season in the not-too-distant future. We extend a heartfelt Thank You to our shooters and our coaches who represent Kalbfus so well, and especially to the shooters’ parents for their support of their children and our Club.

### SIGHT-IN DAYS AND GUN RAFFLE

Kalbfus Rod and Gun Club will be hosting our annual Sight-in Days on Sunday, November 17, and 24, from 9:00 a.m. to 3:00 p.m. and Friday, November 29, Saturday, November 30, and Sunday December 1, from 9:00 a.m. to 3:00 p.m. Our Gun Raffle drawing will be held on December 1, at the end of the day. We'll be raffling a Weatherby Vanguard Series II in .243 caliber with the Griptonite stock.

Tickets for the raffle are included with this mailing. Please make an effort to sell all ten of the tickets. This raffle is one of our significant sources of revenue, and the more we sell the more the Club can provide for its members.

### MEETINGS

We conduct our general membership meetings on the third Thursday of every month and convene at 6:30 p.m. We look forward to seeing our members at our meetings; your input is very important to the well-being of our Club, and we hope you'll find the time to come to our meetings to socialize with our membership and enjoy our after-meeting meals

Please take the time to visit our website at [www.kalbfusrodandgun.com](http://www.kalbfusrodandgun.com).

### POLICING OUR FACILITIES

If you witness abuse or misuse of any of our shooting venues or our facilities, please advise any Board member as soon as possible with as much information about the incident and persons involved that you can gather. We will do what we can to rectify the situation through whatever means may be dictated by the offense.

### RANGE SAFETY

Please practice range and firearms safety. Be aware of what's downrange, keep firearms unloaded when you're not on the firing line, and ensure that firearms are broken open or that chambers are open when you are not shooting at a target.
