League Format and Rules:

Participating Clubs: Kalbfus Rod and Gun Club, Kane Fish and Game Club, Mt. Jewett Sportsmen's Club.

League Duration: 12 weeks. 50 targets/week. 4 shoots at each Participating Club.

Sign-up: 9:00 AM to 2:00 PM.

Fees (League or Practice): Adults: \$15/50 targets. Juniors(<18 as of 1/2/2021):\$10/50 targets.

Shooters may shoot ahead/back as many weeks as desired at the club that was or will be missed.

All shoots are open to the general public. Practice rounds are welcome.

League rounds at a shoot must be shot prior to any Practice rounds.

All rounds shall be recorded as League scores unless Practice is declared and so marked on scoresheet prior to shooting.

"Look" targets are not permitted.

Scoring practices on the course shall be per NSCA guidelines, attached.

All League fees will be distributed as cash prizes at conclusion of League.

Shooter Classification:

A minimum of four (4) equally sized Shooter Classes shall be established at the end of the first half based on averages of shooters having recorded at least one (1) score at each Participating Club.

Shooters not assigned to a Shooter Class at end of first half will be assigned to a Shooter Class immediately after recording one (1) League Score at each club. Where a shooter's average falls between established Shooter Classes, shooter will be placed in lower Class.

Shooters will compete for cash prizes in assigned Shooter Class with other shooters of similar demonstrated ability, regardless of the shooter's demographic.

Shooter classification in subsequent League shall be based on average in prior year's League.

Prize Eligibility and Distribution:

Shooters must record three (3) League scores at each club to be eligible for prizes.

Shooter's nine (9) highest scores will be used to determine Adjusted Average.

Prize distribution shall be 50-30-20 Lewis style High Gun within Shooter Class based on Adjusted Averages.

TARGET PRESENTATION AND SCORING

NCSA Rules will apply:

1. Targets will be presented for attempt by the shooter and scored at each station in one or more of the following formats.

a. Single Target.

Two shots are allowed and the target will be scored dead if broken by either shot.

- 1) On a single target (full use of gun): If the target is missed with the first shot and an Ammo or gun malfunction occurs, preventing the second shot from being fired, the target will be reattempted. On the re-shoot, the shooter must intentionally miss the target on the first shot.

The second shot will count for either dead or lost. If the shooter breaks the first target on the first shot of the re-shoot in this scenario, the target will be scored as lost.

b. Pairs.

Only two shots are allowed. Pairs may be presented as report, following or simultaneous (true pair).

- 1) In simultaneous pairs (true pair) the shooter has the right to shoot either of the targets first.

If the shooter has missed the first target he may fire the second cartridge at the same target.

- 2) When shooting report or following pairs, the shooter will have the right, if missing the first target, to fire the second cartridge at the same target (the result being scored on the first target and the second target being scored as lost).

c. Scoring Pairs

- 1) Should the shooter break both targets with either the first or second shot, then the result will be scored as two hits.
- 2) In the event of a no Bird on a TRUE pair nothing can be established. Two good targets must be present to record the score. This will also apply for gun/ammunition malfunctions while shooting pairs.
- 3) In the event of a NO BIRD on the second target of a REPORT pair, the first bird will be established as dead or lost and the shooter will repeat the pair to establish the result of the second target. When repeating the pair, the shooter must make a legitimate attempt at the first target.
- 4) In the event of a "shooter malfunction" on the first bird of a report pair, the first bird will be established as lost and the shooter will repeat the pair to establish the result of the second target. When repeating the pair the shooter must make a legitimate attempt at the first target. The first target has already been established as lost and the result of the second target will be recorded.
