## 2019 Skeet League

### Rules

Below are outlined some basic rules and procedures.

- **View (Look) Birds**

- At the beginning of each round the squad shall be entitled to observe one regular target from each skeet house
- After each irregular target, shooter has the option of observing one regular target.

- **Dead target:**

- Visible fragment of the target. Dust does not count.

- **No target:**

- Target thrown broken. Under no circumstances shall the result of firing upon a broken target be scored.

- **Singles**

- **If the target is irregular but is shot at the result will be scored.**
- If doubles are thrown the shooter may refuse the target and re-shoot the single. **If the shooter shoots at the target the result shall be scored.**

- **Doubles**

- If the two targets collide before the result of the first bird is established the pair shall be declared no bird and a second pair will be thrown.
- If either target is irregular there is no penalty for withholding the first shot. A second pair will be thrown to determine the result of both shots.
  - **If the first target is irregular but is shot at the result will be scored.**
- If the shooter is deprived of a normal second shot for any of the following reasons **the result of the first shot will be scored** and the second target only shall be declared no bird. A second pair will be fired to determine the result of the second shot.
  - The second target is thrown broken or is broken by any portion of the first target before the result of the second target is established.
  - The second target is irregular and is NOT shot at
  - The second target is not thrown at all
  - The second target is not thrown simultaneously

- Both targets are broken with the first shot (first target is declared dead)
  - The wrong target is broken with the first shot (first target is declared lost)
  - Interference occurs before the second shot, after the first shot is established.
    - Interference is any circumstance beyond the shooter's control which unduly affects his/her opportunity to break any particular target.
- If the shooter is deprived of a normal second shot due to gun or ammunition malfunction between shots;
  - **If the first target is hit nothing is established** and a proof pair is thrown to determine the result of both birds.
  - **If the first target was lost it is established as lost** and a proof pair is thrown to determine the result of the second bird.
- One LOST target scored on:
  - Balk or failure of gun to fire due to fault of shooter (also see malfunctions)
    - If on a double the first target is declared lost and a second pair is fired to determine the result of the second shot only.
  - If a shell having once misfired is used again and fails to fire.
- **Malfunctions**
  - No shooter will be considered at fault if he/she has complied with the manufacture's operating instructions for loading and firing the gun and the gun does not fire.
    - Malfunction will **NOT** be called for shooter errors such as correct barrel selection, taking the safety off, or failure to remove any other device that prevents proper use of the firearm such as a shell catcher.
  - If the gun malfunctions between shots of doubles the first target is established only if lost. A second pair is shot to determine the result of the second target, or both targets in the case of a dead first target
  - Only two (2) malfunctions of any one gun in the same round shall be allowed.
  - Fan-fires will be declared a malfunction.
    - If during doubles the first target was a dead bird nothing is established and a second pair shall be fired upon to determine the results.
    - If during a double the first target was lost, it shall be established as lost and a second pair will be shot to establish the result of the second shot.
- **Squad Size**
  - Squads shall consist of five or fewer shooters.

- **Squad Rotation**

- No member of the squad shall advance to the shooting station until it is his/her turn to shoot, and until the previous shooter has left the station.
- No member of a squad, having shot from one station, shall proceed toward the next station in such a way as to interfere with another shooter.
- No shooter shall unduly delay a squad.

- **Shooting Boundaries**

- Any target broken after passing the Shooting Boundary Marker shall be scored as lost.
