

We will be having a fall trap league this year. We will use the summer league rules & officers, but will be using the winter league team point scoring system (7 pts/1st high score, 6 pts/2nd high score, etc. Ant ties will split pts). All teams will shoot at the host club. Shoots will be held on Sundays with sign-up from 10am-2pm. Cost will be \$12/adults & \$8/ Jrs & SJrs. The host team will submit \$.25 per shooter each week for secretary fee plus \$5.00 for the cost of the League Champ plaque. The host team will retain all the rest of the money collected. There will be NO field day & NO league prizes except for the plaque for the champion team. The schedule will be as follows:

9/11---Tidioute

9/18---Kalbfus

9/25---Corry

10/02---Sugar Grove

10/09---Pine Grove

10/16---Brokenstraw

10/23---Sheffield

Please come out & shoot to help support the clubs. This is just a fun league but will provide a little extra financial help for all the clubs.
